# **Packaging for Sandwich**

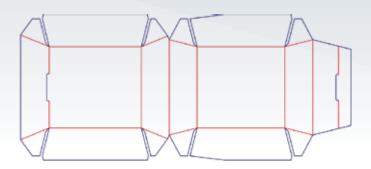

Sandwich packaging must keep food fresh, stand up to daily handling, and beautifully highlight the product in an appetizing way. That's a tall order. Fortunately, it's possible to fulfill. Sandwich packaging, by way of vending, has been a staple of Nextera's business since the late 70s. When our experts advise you on presentation, the latest tamper-evident features, or ways to extend your sandwich's shelf life, we're tapping into decades of knowledge and sharing those insights with you to ensure your sandwiches, wraps, and hoagies look as good as they taste, no matter what's between the bread.

## **Sweet Box**

It seems such a little thing to let the child have its run of the cake-basket and the sweet-box; it is in the eyes of many parents so unimportant whether the little one goes to bed at the appointed time or ten minutes later; they argue that it can make no difference to her welfare in life or to her eternal destiny whether her obedience is prompt and cheerful or grudging and imperfect.
